Read Aloud

Choose 1 of the pre-recorded read alouds to listen to with your child. Ask them about their favorite part. Encourage them draw and/or write about it.

Important People

Help your child draw a picture of the people they consider family. Encourage them to count how many people there are and write the numeral.

School Time

Help your child make a list of things they are excited about for the upcoming school year. Make a list of questions they have and anything they'd like to share with their teacher. Share this list with your child's new teacher during your home visit.

Line it Up

Gather a collection of items from nature (pebbles, leaves, acorns, etc.). Have your child line them up and use their finger to point and count each item (count each item once). Ask: "How many _____ did you count?" "How many items all together?"

ABC Song

Sing the ABC Song while pointing to each letter on an alphabet poster or letter cards. Highlight letters in your child's name and/or friends and family members names.

Drawing to Music

Invite your child to draw and listen to music with you. Play the music and as your child draws, encourage them to use the music as their inspiration. Describe your child's actions aloud as
